The course of study at this College will, however, be such that, should a boy fall in the competitive examinations for admission to a cadet college or for entry on the Royal Indian Navy, he will be in as favorable a position for entry to a university as if he had been educated at an ordinary school.

These fees will include tuition, messing, school services and medical attendance of the ordinary kind and, as initial provision, one part of the uniform to be worn by students when at the college. In addition to the fees referred to above, the parent or guardian of a cadet will be required to deposit with the college authorities, on his entering the college, the sum of Rs. 50 which will be returned when the cadet finally leaves the college provided that all dues have been paid.

Should it be necessary for cadets to be admitted into a hospital (other than the college hospital), or to provide additional nursing advice for the treatment of cadets in the college hospital, all charges incurred will be borne by the parents or guardians of the cadets.

A full term's notice is required to be given of intention to withdraw a cadet from the college. In the event of such notice not being given, the parent or guardian will be required to pay one full term's fees in lieu, unless it is considered that the circumstances in which the cadet was withdrawn are such as to call for special consideration. (On this point final decision will rest with the Government of India.) In every notice of withdrawal it shall be given in the first half of the term preceding the term from which the cadet is to be withdrawn, the return of a full term's fees in lieu may be waived at the discretion of the Government of India.

(6) Remission of fees will be granted in August each year to the sons of Indian Officers or men who have served in the regular army, where the services and financial circumstances of the father warrant it. Warning regarding collection of commercial taxes by unauthorized persons.

Press Communiqué No. 60.

Port St. George, September 2, 1945

No. 461.

Traders have come to the notice of the Government where certain persons masquerading as officers of the Commercial Taxes department have collected moneys from petty dealers in tobacco and have appropriated the collections to themselves. It has been reported that these persons, styling themselves variously as Importing Tax Officers, Checking Officers, Tobacco Officers or Licensing Inspectors, have chosen illiterate and ignorant people for their victims and have collected from them tax and licence fees and even fines for not obtaining licence in time. All licences and moneys under the Madras General Sales Tax Act, 1939, and the Madras Tobacco (Taxation of Sales and Licensing) Act, 1943, are informed that there are no officers of the description mentioned above and that the only officers empowered to assess and to issue licences are Deputy and Assistant Commercial Tax Officers, who are of the rank of Tehsildars and Deputy Tehsildars. They are warned that the payment of taxes or licence fees in cash should, unless made into a treasury, be made only to the headman of the village in which the dealer resides or where bill collectors are employed, to the bill collector of the Commercial Taxes department and that receipts should be obtained for every such payment. When paying the tax or licence fee to any bill collector, they should satisfy themselves that he possesses a valid authorisation deed signed by the Commissioner of Commercial Taxes and the Commercial Tax Officer of the district. The executive officers of the department are not authorized to levy fines on any ground whatever. Any person who demands the payment of a fine should therefore be regarded as an impostor and the matter reported to the village headman or to the police immediately. The Government hope that honest and law-abiding traders will follow these simple instructions carefully in their own interests and will help the officers of the Government in bringing intending offenders to book.

Madras State Aid to Industries (Amendment) Bill, 1940	71

The following Bill, together with the Statement of Objects and Reasons, is published for the purpose of eliciting opinion. Notice is hereby given that the said Bill will be considered on or after the 11th October 1940 and that any objection or suggestion which may be received with respect thereto before the said date by the Secretary to the Government of Madras in the Development Department, will be considered.

A Bill further to amend the Madras State Aid to Industries Act, 1932.

WHEREAS it is expedient further to amend the Madras State Aid to Industries Act, 1932, for the purposes hereinafter appearing :

AND WHEREAS the Governor of Madras has, by a Proclamation under section 83 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature ;

IV-A-1

[71]

Madras Act
V of 1932.

St. Geo. S.
Ch. 2.

Now, THEREFORE, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows:—

Short title.

1. This Act may be called the Madras State Aid to Industries (Amendment) Act, 1933.

Insertion of new section 17-A in Madras Act V of 1923.

2 After section 17 of the Madras State Aid to Industries Act, 1923 (hereinafter referred to as the said Act), the following section shall be inserted, namely:—

Grant of aid to cottage industries by the Board of Revenue.

"17-A. (1) The Board of Revenue may, if so empowered by the Provincial Government and subject to such conditions, restrictions and limitations, if any, as may be laid down by them, grant aid, in accordance with such rules as may be made under this Act for the purpose, to any cottage industry in one or more of the ways specified in clause (a), clause (b), clause (c) or clause (f) of section 6 up to an amount or value not exceeding five hundred rupees in each case.

(2) The decision of the Board of Revenue to grant or not to grant aid in any case under sub-section (1) shall not be called in question in any Court of law.

(3) The powers conferred on the Provincial Government by section 12 may also be exercised by the Board of Revenue in cases where aid is granted by the Board under sub-section (1).

(4) Nothing contained in sections 3 and 8, and save as otherwise may be prescribed by rules made under this Act, nothing contained in sections 9, 10, 11, 12, 14-A and 17 shall apply to any application for the grant of aid under sub-section (1) or to any case where aid is granted under that sub-section."

Amendment of section 19, Madras Act V of 1923.

3. In sub-section (b) of section 19 of the said Act—

(i) the word "and", at the end of clause (14) shall be omitted; and

(14) after clause (13), the following word and clause shall be inserted, namely:—

“ and

(16) all matters connected with, or relating to, the grant of aid by the Board of Revenue under section 17-A, including all matters referred to in the foregoing clauses which are applicable to such grant.”

STATEMENT OF OBJECTS AND REASONS.

Under the Madras State Aid to Industries Act, 1932 (Madras Act V of 1932), every application for State aid has to be dealt with in accordance with an elaborate procedure, irrespective of whether the aid is sought for a major industry or for a small cottage industry. The application is required to be made in the first instance to the Director of Industries and Commerce who, after scrutinizing the application and calling for supplementary information, if necessary, places it before the Board of Industries constituted under the Act, for advice. The Board interviews the applicant personally where necessary, and recommends the acceptance or rejection of the application to the Government, and the Government passes final orders on the matter. The time taken, and the expenses and formalities involved, are excessive in the case of a cottage industry which requires help in the shape of a small loan or other assistance. The Government consider that the best way of bringing help to the door of the cottage worker will be to delegate to the Board of Revenue the Government's power to grant aid to cottage industries up to a maximum of Rs. 500 in each case, while at the same time making the procedure described above inapplicable. The intention is that a self-contained set of rules applicable to these cases should be drawn up on the lines of the rules governing taklan loans.

The Bill gives effect to the above objects.

(By order of His Excellency the Governor)

P. APPU NAIR,
Secretary to Government, Legal Department.
